GEOVISION®
Next Generation LED

GV10-HD-Q5000 LED

DAYLIGHT EVERYNIGHT

MEGALUX LED'S

Built exclusively with Megalux LED's

GV10-HD-Q5000

Heavy Duty On-Off Road Work Light

- Maintenance Free
- Optical LED Lenses
- OE Approved
- Water tight IP 69K
- Replaces halogen lamps
- Hardened glass lens
- Forward and Reverse Lighting

The GV10 is a heavy duty high output LED work lamp designed for improving work conditions while controlling area light within working range

GEOVISION® Professional Work Lights

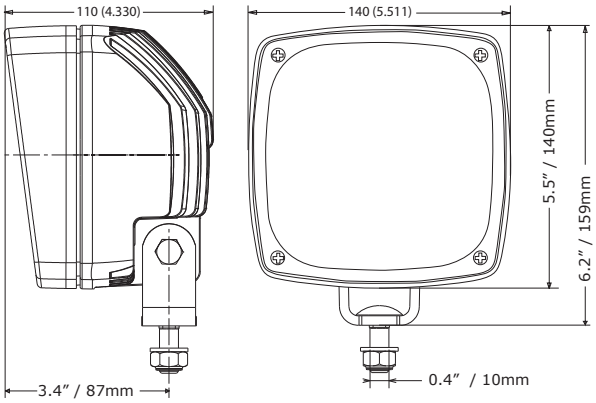
GV10-HD-Q5000 LED

The GV10-Q5000 LED light duty work lights are designed to exceed standard halogen lighting for everyday use and dependability.

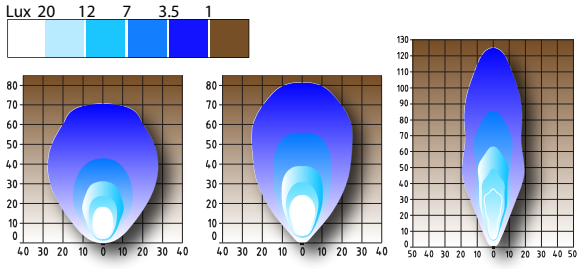
Tested to stringent compliance criteria and engineered to withstand equipment vibrations ensures absolute performance in the harshest operating conditions.

Single point attachment with swivel capabilities facilitates installation and light beam aiming. Excellent for forward and reverse lighting applications.
Available in Flood and Long Range for extended area lighting.

DIMENSIONS



LIGHT PATTERNS

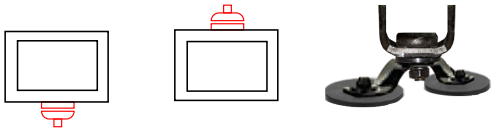


Wide Flood | Flood | Long Range

SPECIFICATIONS

Bulb	10 Megalux LED's Modules
Lumen	5000
Life time:	20,000 hours
Color temperature	6000°K
Light pattern	Wide Flood, Flood, Long Range
Consumption	57W
Voltage	Multi 12-100V
Intensity	2.15 Amp @ 24V
Vibration resistance	20 Grms from 24 to 2000Hz
Shock resistance	80G
Load Dump	110V continuous 200V 300 ms 1800 V 50 √s
Polarity	Protected against reverse voltage
Electronic Thermal Management	Full output @ +35°C ambient 25% dimmed @ +50°C ambient
Water tightness	IP 68-IP69K (Waterproof)
Operating Temp:	-40°C to +85°C
Salt Spray	ISO 9227
Lens	Hardened glass
EMC:	ISO 13 766 - Earthmoving Equipment
	ISO 14 982 - Forestry-Agricultural
	ISO 12895 - Handling Equipment CISPR25 Class3
Reflector	Multi lens system
Weight:	4 Lbs / 1.8 Kg
Warranty:	20,000 operating hours or 4 years

MOUNTING



Pedestal Swivel | Suspended Swivel | Double Magnetic Base

CONNECTIONS

Built-in AMP 2 Ways

Built-in DT2 Pin Connector

LENS COLOR

Amber

APPLICATIONS

- Mining
- Forestry
- Emergency response
- Military
- Handling Equipment
